PRAIRIE WOLF DARK - COFFEE LIQUEUR

Prairie Wolf Dark Coffee Liqueur is proudly handmade in small batches in Oklahoma's original legal still, creating a rich, smooth, & distinctly delicious spirit.

With Dark, our team begins by hand-selecting a specialty blend of fine Ethiopian & Guatemalan coffee sourced & roasted locally. From there, each batch is ground, then brewed using our cold-infusion method, preserving the elegant flavors & aromas that we love, while minimizing extraction of astringent components.

Once the brew has achieved perfection, Mexican vanilla, black strap molasses, & pure cane sugar are added to meld the robust coffee flavor with a velvety, restrained sweetness, showing dark chocolate richness balanced by a hint of roasty bitterness. 100% all-natural, 100% delicious.

Every drop of Prairie Wolf Dark Coffee Liqueur is micro-distilled with passion in Guthrie, Oklahoma. Our pack is focused on highlighting the pride & quality of our state's resources through each delicious sip. Enjoy!
